ANNUAL CONVENTION & SCIENTIFIC ASSEMBLY
ATLANTA

VISIT THE WEBSITE FOR ADDITIONAL DETAILS: HTTP://CONVENTION.NMANET.ORG

Something for Everyone

Walk a Mile with a Child
More than 650 individuals joined us in 2008 in Atlanta, Georgia for the 1st Walk a Mile with a Child. We are going back to Atlanta to celebrate NMA’s 125th anniversary. Join us for a bigger and better Walk a Mile on Saturday August 1.

It’s Free, Fun and Filling for “all” ages.

Opening & Awards Ceremony
The official welcome of participants to the Annual Meeting. During the opening ceremony NMA’s local societies and individuals of outstanding achievement will be recognized for their contributions to the NMA and to the field of medicine. For more information on the Call for Award Nominations, visit http://convention.nmanet.org/.

125th Anniversary Celebration
Stay tuned for a list of exciting 125th activities, events, and speakers.

Call for Authors
Calling all NMA authors! Join us at the Author’s Corner located in NMA Central in the exhibit hall. You bring the books, we provide free space. To register, visit http://convention.nmanet.org/.

ANMA
Spouses and Accompanying Persons of convention attendees can take advantage of an extensive array of activities by registering for the Auxiliary to the National Medical Association program. Visit www.anmanet.org.

NIH/NMA Travel Awards
Residents, fellows, postdoctoral scientists, and early stage investigators interested in academic medicine are encouraged to apply. Award includes participation in a two day academic career development workshop and provides support for travel, hotel, and registration for selected applicants. Application deadline is April 15, 2020.

Call for Abstracts
Health professionals interested in presenting during the Annual Convention are invited to submit abstracts. Abstracts may be submitted for an oral (podium) presentation, or a poster presentation, or for both. Deadline is February 18, 2020.

HOTEL

The Hyatt Regency in Atlanta, Georgia will host NMA’s 2020 Annual Convention and Scientific Assembly during which we will also celebrate our 125th year. What better place to host NMA than the place fifty-two years ago opened its doors to a group of civil rights leaders in need of a place to congregate for the 11th annual Southern Christian Leadership Conference. While some other establishments turned them away, the Hyatt did not. Located in the heart of downtown Atlanta, the Hyatt is a 30-minute train ride from the airport and a short walk to the convention center, and top attractions and is home to Polaris, Atlanta’s famous rotating lounge.

You must be registered for the Convention and/or a current dues-paid member to obtain a hotel reservation.

The 2020 NMA convention and Scientific Assembly is planned as an educational reinforcement for practicing physicians, related health professionals, trainees and residents representing a variety of medical specialties and health professions.

The NMA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The NMA designates this live activity for a maximum of 40 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

As we prepare to celebrate the 125th anniversary of our beloved National Medical Association, sage advice admonishes that we take pause. Pause to reflect, to analyze and to contemplate. Reflecting on our glorious past, analyzing our current situation and contemplating our promising future.

The African term Sankofa captures the essence of these concepts. Sankofa is a word in the Twi (pronounced Tree) language of the Akan people of West Africa that translates, Go Back and Get It. San - to return, Ko - to go and Fa - to fetch, to seek and take. Sankofa teaches us that we must go back to our roots in order to move forward. That is, we should reach back and gather the best of what our past has to teach us, so we can achieve our full potential as we move forward. Whatever we have lost, forgotten, forgone or been stripped of can be reclaimed, revived, preserved and perpetuated. (www.uis.edu.africanamericanstudies/students/sankofa)

Sankofa is visually expressed as a bird that flies forward while looking backward with an egg, symbolizing the future in or near its mouth. This symbol has most appropriately been incorporated into our 125th anniversary logo.

And so, as we learn from our past, lead in the present, and launch into the future, we embrace and celebrate the NMA in the spirit of SANKOFA.
